

ANNUAL MEETING REGISTRATION FORM

SOCIETY for NEUROSCIENCE

Society for Neuroscience 50th Annual Meeting November 13–16, 2021 | Chicago, IL

ONLINE: SfN.org/Registration
MUST BE RECEIVED BY
MONDAY, OCTOBER 4;
AFTER THIS DATE FEES INCREASE —
If registering by fax, telephone, or mail

FAX:

Fax registration form and credit card information to (508) 743-9671.

TELEPHONE:

Have your registration form and credit card information in hand and dial (508) 743-8563.

MAIL:

Send your registration form and fee(s) to: SfN 2021 Registration c/o Convention Data Services 7 Technology Park Drive Bourne, MA 02532

** STUDENT NONMEMBER ELIGIBILITY — MUST BE SIGNED BY DEPARTMENT HEAD OR DEAN
"I certify that this student is presently enrolled at this university and is working toward a degree in the field of neuroscience."
PRINT NAME OF DEPARTMENT HEAD OR DEAN
SIGNATURE OF DEPARTMENT HEAD OR DEAN

GDPR NOTICE

In order to comply with the European Union's General Data Protection Regulation, we are required to obtain consent from you in order to process your personal data.

By returning this form you consent to allow Convention Data Services & Convention Management Resources to process your personal data for registration and hotel reservations.

HEALTH AND SAFETY

Any public space where other people are present holds an inherent risk of exposure to COVID-19 and other communicable diseases. By attending Neuroscience 2021, I agree to voluntarily assume all risk related to exposure and agree to not hold the Society for Neuroscience (SfN) or any of their affiliates including directors, officers, employees, or volunteers liable for illness.

Society for Neuroscience (SfN) has implemented vaccine and mask requirements. Neuroscience 2021 will operate in accordance with any additional official federal and state government and local authority rules, following CDC guidelines and any additional venue or location-specific rules designed to mitigate the spread and contraction of COVID-19.

To ensure the safest possible in-person Neuroscience 2021 gathering, COVID-19 vaccinations will be required to attend the in-person portion of Neuroscience 2021. Prior to the annual meeting, be prepared to upload documented proof that full vaccination was completed at least 14 days prior to arriving on-site in Chicago. No one will be admitted to Neuroscience 2021 without proof of full vaccination. There will be no exceptions to the vaccination requirement to attend Neuroscience 2021 and no refunds will be issued for unvaccinated individuals or for vaccination documentation that is denied. Unvaccinated individuals are highly encouraged to participate in the full virtual portion of Neuroscience 2021, scheduled for November 8–11, 2021.

Masks will be required during the in-person portion of the annual meeting in Chicago, including on SfN shuttle buses. Masks are required except in the following limited circumstances: 1. When actively eating or drinking, 2. When presenting at a lecture or panel, or 3. When seated in a meeting of 35 or fewer people. Masks will be required at all times on the poster and exhibit floor. Any person who does not adhere to the mask policy will be asked to leave the Convention Center and may be denied readmission to the meeting. As SfN continues to track the rate of Covid transmission and public health guidance, this policy may be updated accordingly.

Attendees are encouraged to familiarize themselves with all local, national, and international guidelines, including the requirements of their home jurisdiction for their return trip.

By registering and attending the Event, I agree to follow all enforced behavior requirements and protocols and follow requests of SfN and the venue while on the premises and at Neuroscience 2021 in regard to COVID-19 mitigation.

CODE OF CONDUCT AT SIN EVENTS

SfN is committed to supporting discovery and scientific dialogue, and to fostering a welcoming community in which all scientists are able to contribute fully. The Society asserts that sexual harassment and other harassing behaviors have no place in a healthy scientific enterprise. We expect all attendees, media, speakers, volunteers, organizers, venue staff, guests, and exhibitors at SfN-organized events to help us ensure a safe and positive environment. At the convention center, onsite medical and security personnel are available directly or through the SfN headquarters office.

If attendees experience unwelcome or unsafe situations anywhere in the city, attendees should swiftly contact local authorities (dial 9-1-1), and additional local social services resources are listed in one convenient location at the federally-endorsed website ChangingOurCampus.org. Any official report of sexual harassment should be brought to the designated Human Resources Officer in the SfN headquarters office at each meeting convention center, or sent via email to hrofficer@sfn.org. The HR Officer will facilitate the completion of a report by a complainant. View the entire Code of Conduct at SfN Events statement for more information.

USE OF ATTENDEE IMAGE & VOICE

By registering for Neuroscience 2021 or its associated events, I understand that SfN has permission to photograph, video, or otherwise capture the images of me and my guests, and to make audio and video recordings of me and my guests.

I further understand that SfN and its representatives have the right to reproduce, use, exhibit, display, broadcast and distribute, and create derivative works of these images and recordings in any media now known or later developed as well for promoting, publicizing, or explaining SfN and its activities and for administrative, educational or research purposes. I acknowledge that SfN owns all rights to the images and recordings.
